1. Stipend & Payment

The Intern shall be paid a monthly stipend of ₹25,000/-, payable on a pro-rata basis subject to attendance, performance, and compliance with Company policies. The Company reserves the right to withhold, revise, defer, or discontinue stipend in case of under-performance, misconduct, policy violation, or discontinuation of the internship.

2. Working Days & Attendance

The standard working days shall be Monday to Saturday, with Sunday as a weekly holiday. Working hours and schedules may be altered based on project or organizational requirements. Unauthorized absence may lead to stipend deduction or discontinuation.

3. Leave Policy

Any leave during the internship period shall be subject to prior approval and shall be governed as follows. Pre-planned leave must be informed and approved at least four (4) working days in advance. Sick leave, if unavoidable, must be informed no later than 7:00 AM on the day of absence, along with a brief intimation of the reason.

In the event of two (2) or more consecutive days of sick leave, the Intern shall be required to submit valid medical proof issued by a registered medical practitioner, in a form and manner acceptable to the Company. Failure to submit such medical proof when required shall render the leave as unauthorized absence.

Any leave taken without adherence to the above timelines, failure to provide required medical proof, or frequent or habitual absence shall be treated as non-compliance with internship terms and may result in stipend deduction, adverse performance evaluation, or discontinuation of the internship at the discretion of the Company.

4. Nature of Engagement:

The internship is full-time in nature and requires the Intern's complete professional time, attention, and effort to be devoted to the work assigned by BluBridge Technologies Private Limited. During the tenure of the internship, the Intern shall perform duties exclusively for the Company and shall not, without prior written approval of the Company, directly or indirectly engage in any other employment, internship, consultancy, freelance work, paid assignment, advisory role, academic project for external entities, or any activity that may create a conflict of interest with the Company's work.

The Intern acknowledges that any unauthorized engagement in parallel work, whether paid or unpaid, including but not limited to external research projects, commercial work, client engagements, or competitive activities, shall be treated as a material breach of internship terms. In such event, the Company reserves the right to discontinue the internship with immediate effect, withhold stipend, and take such further action as may be deemed necessary to protect the Company's interests.

5. Performance Evaluation

The continuation, extension, or conversion of the internship to any form of employment shall be determined solely at the discretion of BluBridge Technologies Private Limited, based on periodic performance evaluation conducted by the Company. Performance evaluation shall include, but shall not be limited to, assessment of technical competence, quality and accuracy of output, adherence to timelines, ownership of assigned responsibilities, learning curve, responsiveness to feedback, discipline, attendance, and alignment with the Company's research standards and organizational culture.

The Intern expressly acknowledges that the internship is an evaluation-driven engagement and that continuation or conversion is not automatic, time-bound, or guaranteed. The Company shall not be obligated to provide reasons for non-continuation or non-conversion. Any decision relating to employment conversion, if at all considered, shall be communicated only through a separate written employment offer issued by the Company.

6. Confidentiality

During the course of the internship and at any time thereafter, the Intern shall maintain strict confidentiality of all information relating to BluBridge Technologies Private Limited. Confidential information shall include, without limitation, research data, algorithms, model architectures, system designs, code repositories, datasets, internal documentation, technical notes, infrastructure details, access credentials, internal communications, client or partner information, business strategies, operational processes, and any information not publicly disclosed by the Company.

The Intern shall not, directly or indirectly, disclose, copy, transmit, publish, store externally, discuss, or make available any confidential information to any third party, including on social media platforms, public repositories, academic submissions, presentations, or personal portfolios, without prior written authorization from the Company. This confidentiality obligation shall survive the termination or discontinuation of the internship for an indefinite period.

Any breach of confidentiality shall be treated as gross misconduct and may result in immediate discontinuation of the internship, forfeiture of stipend, and initiation of appropriate legal action.

7. Intellectual Property

All work products, inventions, discoveries, developments, designs, documentation, source code, models, datasets, research outputs, experimental results, derivative works, improvements, and any other intellectual or creative material created, conceived, developed, or contributed to by the Intern, whether independently or jointly with others, during the course of the internship and arising out of or relating to the work assigned by BluBridge Technologies Private Limited, shall be the exclusive intellectual property of the Company, worldwide and in perpetuity.

The Intern hereby irrevocably assigns, transfers, and conveys to BluBridge Technologies Private Limited all rights, title, and interest in such intellectual property, including all present and future rights of ownership, use, modification, commercialization, publication, and protection. The Intern shall have no claim, moral right, royalty, or compensation in respect of such work products beyond the stipend paid during the internship.

The Intern agrees to execute any additional documents and provide reasonable assistance, during or after the internship, as may be required by the Company to perfect, protect, or enforce its intellectual property rights.

8. Code of Conduct

The Intern shall comply at all times with all policies, codes of conduct, internal guidelines, information security rules, IT usage policies, research integrity standards, and lawful instructions issued by BluBridge Technologies Private Limited or its authorized representatives. The Intern is expected to conduct themselves in a professional, disciplined, and ethical manner consistent with the Company's research-oriented and high-accountability environment.

Any act of misconduct, including but not limited to misrepresentation of work, submission of plagiarized or copied material, falsification of outputs, unauthorized use of third-party tools or datasets, misuse of Company systems or credentials, violation of information security norms, or disclosure of internal work without authorization, shall be treated as gross misconduct.

In the event of such misconduct, the Company reserves the right to discontinue the internship with immediate effect, withhold stipend, invalidate any internship certification, and pursue appropriate legal or remedial action as deemed necessary to protect its interests.

9. Termination / Discontinuation

The Company reserves the absolute right to discontinue the internship engagement at any time, without prior notice or obligation, in the event of misconduct, unsatisfactory performance, breach of confidentiality, violation of Company policies, misrepresentation of work, conflict of interest, or failure to adhere to instructions or performance expectations. Such discontinuation may be effected immediately and without entitlement to any further stipend, certification, or compensation.

In addition, unauthorized absence for a continuous period of Five (5) consecutive working days shall result in automatic discontinuation of the internship, without any requirement for notice or further communication from the Company. Upon discontinuation, the Intern shall immediately return all Company property, materials, credentials, and confidential information in their possession or control.

10. Medical Fitness

The Intern confirms and declares that they are medically fit to undertake the duties and responsibilities associated with the internship and that all medical disclosures made to the Company, whether at the time of onboarding or thereafter, are true, complete, and accurate. The Intern undertakes to promptly inform the Company of any medical condition or circumstance arising during the internship that may materially affect their ability to perform assigned duties.

The Company reserves the right to require medical documentation or certification, where reasonably necessary, to assess fitness for continued engagement. Any suppression or misrepresentation of material medical information may be treated as a breach of internship terms.

12. General

The Company reserves the right to amend, modify, supplement, suspend, or update the terms and conditions of this internship, including the annexure and related policies, from time to time based on organizational, operational, or regulatory requirements.
